If you are looking for good pads, you can choose from our pads warehouse- incontinence pads, disposable adult underpad, bedwetting pads, incontinent pad, incontinence diaper, adult paper pads, adult incontinence, bladder control, incontinent mat, diaper doublers and so on.

Disposable adult underpad is a kind of economic substitution for adult diapers. The first layer of it is classic non woven surface which is soft and breathable to keep fresh and natural. And the second layer is composed of gulf pulp,cotton tissue and so on. However, despite incontinence pads manufacture is a high technology field which has consistently shown innovation over the last few decades, but there are still a number of areas which require additional improvement. One such area is leakage reduction. Our disposable adult underpad holding inner leak guard keeps the clothes around body dry and soft. We have developed improved elastic bands to hold the waist more tightly without discomfort. And the back sheet of incontinence pads with water-proof barriers can guarantee hygiene and clean. With the development of technology, pads will be less bulk and more biodegradable. Our products- incontinence pads, adult incontinence, incontinent pad, incontinence diaper, disposable adult underpad, bedwetting pads, diaper doublers, adult paper pads, bladder control and incontinent mat are more features available.
