Cotton sanitary napkin is a piece of absorbent sanitary napkin made of 100% pure cotton. The surface of it touches your skin gently and softly. As we all know, menstrual pad is worn during a woman's period to absorb her menstrual flow. They are regular and disposable pads as made mostly of wood cellulose fibers, with the outer cover and the moisture-proof shields. Depending on the pad's absorbency and the woman's flow, it is recommended for a menstrual pad to be changed every 4-8 hours. However, our pad may be used longer without changing it. In addition, our cotton sanitary napkin is made into super ventilate which can remove hot air for adding comfort. Therefore, you can be reassurance to use it. Our new surface designed of Maxi pad can

hold it in the inner part of the pad to keep the surface always salubrious and comfortable. It is also a good choice for everybody. Through above introduction, you would have acquaintance with our products about cotton sanitary napkin, menstrual pad, Maxi pad, super thin sanitary napkin, sanitary napkin belt, herbal sanitary napkin, night use, day use, sanitary towel, winged sanitary napkin and so on, then if interested in our products, you can browse our web for details.
